#### **December 2024 President's Message**

erry Christmas, Happy Holidays, and Happy Anniversary! As we celebrate the Holiday Season, we are also celebrating the 60th anniversary of the Alamance Chapter/Region of the AACA! A small group of antique car enthusiasts gathered at a house in Burlington and decided to start a new chapter of the North Carolina Region. The Alamance Chapter was officially founded in December,

Alamance.AACA.com

1964. Who could have predicted the success our founders would have, and the growth of the Club to become the first Chapter/Region outside of Hershey to own their own clubhouse? And now we are growing again, with new members and a new clubhouse in process! I am glad that we are laying the foundations for our Club to grow, prosper, and serve our community for another 60 years and beyond!

Please make plans to attend the AACA National Convention this year! The Convention is being held in the Charlotte area, at the Embassy Suites close to the Charlotte Motor Speedway, February 6 - 8, 2025. It is a fantastic opportunity to meet our national directors, officers, HQ and Library staff, as well as to attend some fantastic seminars. There will also be field trips to the NC Transportation Museum and the Rick Hendrick Heritage Center where he has his fantastic collection of classic and performance cars. Lyn St. James will be the keynote speaker at the Friday luncheon hosted by First Lady Audrey Harris. Go to the AACA.org website for information on how to sign up.

Our Christmas Party will be held at the Shiloh Presbyterian Church Sanctuary (not the Scout Hut this time!) on Saturday, December 14, starting at 6:00 pm (get there early so we can start on time!). The Cutting Board is catering the dinner (\$25 per person, payable that night to Jeanne Johnson). Pat and John Cox will have an evening of entertainment for us to enjoy!

Merry Christmas, and Happy New Year to all!

We'll see y'all down the road!

#### Minutes from the November 2024 Meeting

he Alamance Region met on November 9 at the Scout Hut. This was our Annual Business Meeting. Mickey Kluttz stepped in for Rick Holmes who had lost his voice. He opened with the Pledge of Allegiance and a prayer. Mickey thanked the hosts of Larry and Elizabeth Coble and Otto Watson. Upcoming activities are as follows: Haw Biver Car Show was today:

activities are as follows: Haw River Car Show was today; The Village of Brookwood will host a show tomorrow afternoon from 2 pm to 4 pm; Hillsborough Holiday Parade is December 8 at 4 pm (Contact Bill Cox if you want to participate); Veterans Parade was today; December 7 is the Graham Christmas Parade. Let's remember Trent Riley who had knee replacement and the family of Lynn Isley who passed away recently.

Jeanne Johnson gave the Treasurer's report and the budget for 2025. The budget was approved as presented. Elizabeth Coble presented the slate of officers and directors from the Nominating Committee. She introduced each one to the newer members. They are:

President - Rick Holmes, Vice-President - Donnie Nance, Secretary - Mike Blalock, Treasurer - Jeanne Johnson, Board - 2024 to 2025 - Chuck Smith, Terry May (Extend his term one year),

2025 to 2026 - Ande Shoe, Scott Wicker, Mickey Klutt and Ex-Officio - Elizabeth Coble. There were no nominations from the floor so Elizabeth closed the nominations. The slate was approved as presented.

Mickey then proceeded with the choice of the Car for the Plaque for our Car Show in May.

The Board recommended that we use the 1950's White Jaguar of Butch McKenzie. Butch has done so much of preparing our land for a new Clubhouse for free. The motion carried.

Ande Shoe gave an update on the Clubhouse Building. He stated the bricks are there and water and sewer connections are at the road. We are waiting on approval of plans by the County. Mickey thanked Ande for supervising the building of our facility. Under other business, our Christmas Party will be held on December 14 at 6:00 pm. We will meet at Shiloh Presbyterian Church. Pat Cox asked for some volunteers to help with a skit and she also plans to present a slide show of members who have passed. The meal is being catered by the Cutting Board and will cost \$25.00 per person. There will also be a singer and we will sing Carols. Jeanne also reminded everyone that dues are \$25.00 per year for singles or couples.

National dues are \$45.00 and can be paid on-line or sent with your form from your last Magazine. Larry Coble also reminded everyone that Max and Scott Wicker's Mustang has been nominated for a National Award.

The meeting was adjourned,

Elizabeth Cable for Mike Blalack

#### Hey Bruce, wanna drive a Model A?

fter recently admitting that I'd love to have a 1929 Model A tudor due to seeing Bill Thele make his way through modern traffic on his way to work in his Tudor in my hometown, I received an unexpected offer... Rick and Richard Holmes made me an incredible offer I couldn't refuse—"Hey, Bruce, wanna drive a Model A?"

Well, no self-respecting car guy could ever turn down such an offer, so I readily accepted! It was a beautiful summer day with clear skies when I made my way to Richard's building where he houses some of his collection of vintage beauties, and a gleaming black roadster awaited.

Following some basic instruction to get this newbie familiarized with how to go about starting a Model A, and getting me settled in behind the wheel, we were off! To simply explore some less-traveled side streets in Haw River. In a gorgeous black Model A roadster no less!

The first thing that was difficult for this Model A neophyte to get acclimated to was the non-synchronized manual transmission in Model As. Yep, I have been spoiled by the more modern fully-synchronized manual transmission cars I've driven.

Rick tells me that I did well, but the "blip of the throttle, move the shifter out of gear, blip the throttle to move the shifter to the next gear" left me feeling like I ground at least a half pound of hamburger in the gearbox. Between that and the fairly heavy non-power steering, wow, I had no idea your hands and feet would be so busy driving an old A! There would definitely be far fewer drivers playing on their cellphones if we were all still driving Model As!

As it turned out Rick was a wonderful driving instructor and we shared a pleasant drive in spite of my gear-griding activities. So now it's

on to my quest... where might I find a clean old 1929 Model A Tudor? Even a '30 would do. More importantly, how do I

convince Bobbie to let me make another old car acquisition? That'll be the toughest part! Any pointers guys?

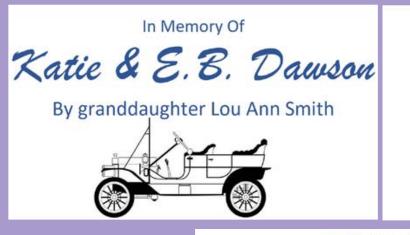

Ande & Mary Shoe Thankful for Answered Prayers!
