

**President's Message**

November has arrived and the end of the year is in sight. As we meet for our November business meeting on the 12th, we will elect officers for next year as well as select 2 antique autos from our club for next year's car show dash plaque. I wish well for our new officers and for the club next year. Do your part and be present to vote for your club's officers.

The month of October had 2 big events for our club. On October 15th, we helped Hospice of Alamance/Caswell with their annual Car Show. Jeannie has all the numbers to report, and it was a success and the weather was perfect. Money was raised in the usual way, but Timeless Cruizers offered a challenge to all car clubs to exceed their extra donation to Hospice. Alamance Region ACA answered the call and beat the challenge. The bottom line was extra cash for Hospice. The other event was our first ever Poker Run for our club. Again the weather was perfect for driving a scenic route through the county to visit sites to get a card for a poker hand. At the final destination after discarding and drawing more cards, Jeannie Johnson won with the best hand. Afterwards, we ate a picnic lunch and enjoyed the fellowship. It was a lot of fun. Thanks to Henry Gaither for generating and organizing this event. Pictures will follow of both of these events.

Our Meeting for December will be on Dec 10th and will be at Lake MacKintosh. Costs will be \$25 per couple and will be caterer by Western Steak House. Kids eat at no charge. Hope to see your family there.

Also it's time to renew membership to national and Alamance Region for 2017.

**Meeting Minutes for October 2016**

The October meeting of the Alamance Region ACA was held at our clubhouse on Saturday, October 1st at 6:30 PM. The meeting was called to order by our president, Billy Patterson. We had 28 people attending and all 28 were members.

Our president, Billy Patterson thanked the hosts, Ed & Pat Tulauskas and Pat & Linda Burns. Billy also mentioned that we need someone to host with us for the November meeting.

Billy asked if the September minutes were accepted as written. Elizabeth Coble made the motion and John Cox seconded the motion to accept the minutes as written.

Billy then asked Jeanne for the Treasurer's report. Jeanne mentioned that we have spent more than we have taken in and we can blame it on the weather for our May Car Show. She mentioned a few items listed below.

Working on budget for next month.

Mentioned new replacement name badges can be ordered for about \$7 to \$10.

Have 4 NASCAR tickets for Oct. 8th race in Charlotte from the radio station (WBAG).

Bruce took the tickets.

Have extra dash plaques from May Car Show if anyone did not get one.

Passed around birthday and anniversary list last time to get updates.

## Meeting Minutes for September 2016, con't.

Received some return newsletters from previous members. Bruce mentioned that he was inadvertently using an old list for the newsletter mailings last month.

Ed Tulauskas spoke on the printer issues. He mentioned that we would wait a couple of months to buy a new one until the price comes down for printers. He also mentioned that he can use the toner cartridge that Bruce has and print the newsletter until we get a new printer. He will print in the toner saver mode to reduce amount of ink/cartridge needed. Bruce mentioned that he would pick-up the printed newsletter copies from Ed and mail them out.

Billy mentioned the upcoming events and asked John to fill everyone in on the Poker Run details since Henry was not at meeting.

Hospice Car Show-Oct. 15th @ BMOC Hospice clothing store. We will set-up @ 5PM on Friday and be at the Car Show by 7AM. Bring drinks on Friday or Saturday. Bring baked goods and price them to sell.

John Cox's details for Poker Run: Sat. Oct. 22nd @ Joe Davidson Park @ 11AM. Eat lunch @ Picnic area after the Poker Run. From the show of hands at the meeting it looked like we would have enough people attending the event.

Billy told the butterfly story at the RCHS Car Show. During the car show a butterfly landed on my hand and did not leave me even when I walked around. He mentioned that I would move him from my hand to my arm and he still rode around on my hand or arm for over 25 minutes.

Billy mentioned that his car was chosen at the Charlotte Auto Fair for the Bob Lineman award for the most original car. We got to go through the winner line procession during the final awards to receive the trophy.

Billy mentioned the most recent interesting car he came across. It was a 1972 Chrysler Station Wagon @ JRs cruise-

in. The lady that owned it told the story of how her family took family trips through the years in this car. Her Dad told her that when he passed away that he wanted the station wagon to carry his casket. He had his last ride to the cemetery in his station wagon. She has kept the station wagon in good shape that used to be her Dad's.

John Cox showed their Pebble Beach trip slides for a program. This was a Concourse show and car entry was only by invitation. There was a display from a company that takes Range Rovers and customizes more. He said there were a lot of exotic cars at the show. There were prototype cars like a custom Lincoln Navigator and electric corvette. He mentioned that it was very crowded and nothing like it looks when you see on TV with Jay Leno walking around looking at the cars. He included one picture of Jane King on a pig ride at a BBQ place during the New Bern trip.

Herb Klutz mentioned that he went to the Faith Baptist Car Show. He saw a Whippet that a guy from Durham owns. He mentioned that it looked like a Model A.

Billy mentioned that the September/October Antique Auto Magazine has voting info for the Board of Directors. He mentioned that you need to vote for 7 of the 10 candidates. Also, there are pictures from the Sentimental Tour and Southeast Newbern Meet in the magazine.

Jeanne mentioned that Tal is recuperating from his hip surgery 2 weeks ago and has rehab next week. He is walking with walker for now.

John Cox reminded everyone that next meeting was the election for officers. He mentioned it was going slow for candidates and he needs volunteers.

The meeting adjourned @ 7:56PM.
