

President's Message

Summer is coming to an end but there are still lots of car shows and cruise-ins that will be happening from now until late October. Our Hospice show is our next big event and plans are moving right along for this show. This is our 22nd year of putting on this show. We will have job assignments at our September Meeting. The posters for the show are here and at the clubhouse. Be sure to take some and post them around the area. We will need baked goods for the day of the show and we also need canned drinks and bottled water to sell. Each of us has been touched by Hospice either through our family or our friends. We have Chick-fil-A lined up to provide sandwiches to sell and Freddy's is willing to donate a percent of sales on the day of the show. The more they sell the more they give to Hospice. Please be sure to support both of these organizations.

At our last meeting, Billy Mebane's Model A was selected as our feature car for our annual car show in May, 2020. Congratulations Billy!

Please remember that our October meeting will be a week early on October 5. In November we will have our annual business meeting and election of officers and directors for next year and then in December, we will have our annual Christmas Party.

Thanks to all of you for your support of the club. It takes all of us working together to accomplish great things.

August 2019 Treasurer's Report

Registrations for the Hospice car show are arriving at a very slow pace. Since there is no break in the registration fee for registering early, lots of folks wait to see what the weather will be like on show day before deciding. It really helps our members at the registration desk if you would turn in your registration forms early. You can still pay on the day of the

show if you would like to! The property insurance bill arrived this week and it is exactly the same as last year so that was good news. The cost of propane has been reasonable, too. Our big bills are in for the year, barring any unexpected expenses. We will soon be starting to prepare our budget for next year!

Jeannie Johnson

Minutes of the August 10, 2019 Meeting

The Alamance Region held its regular monthly meeting Saturday August 10th at the clubhouse. Thirty-six members attended and there were no guests.

A number of trees overhanging the clubhouse had been removed and hauled away during the last month since the July meeting. The clubhouse and shelter building were reroofed by Castle Roofing Company during the last month. The last time the buildings were reroofed was about twenty five years ago by car club member volunteers.

President Elizabeth thanked the seven members who took cars to the August 3rd Asheboro car show and three to the August 10th General Greene show at the Farmers Market near the Greensboro/Piedmont Triad Airport..

Several hundred flyers for the September 28th Hospice Show have been distributed at area car shows and in and around

the Burlington area to advertise the September 28th Hospice car show. Rick Holmes is contacting fast food restaurants at the Alamance Crossing shopping center for the possibility of getting sandwiches to resell at the show.

It was decided that trophies and dash plaques for the May 2020 Burlington car show will feature only one car and that will be Billy Mebane's Model A.

The regularly scheduled October 12th meeting is changed to October 5th a week earlier because of conflict with the Hershey show that many members attend. No one has signed up to host the October 5th rescheduled meeting.

The Mackintosh Lake Community Building where we have held our Christmas meeting the past few years has been reserved for this year's December meeting. Food will be catered as before and the menu is being worked on.
